

Changes to the West Wiltshire **Zig Zag**

bus service linking Corsham, Gastard, Whitley, Atworth, Holt and Broughton Gifford with Melksham, Bradford on Avon and Trowbridge starting on 2 January 2014

During the Summer we undertook a consultation exercise with passengers concerning proposed changes to the Zig Zag bus service which were required to make the service more cost effective.

Following consideration of the responses received from the consultation and discussion with the bus operators that operate journeys on the Zig Zag services, we have been able to devise a new timetable that is similar to the current timetable but more efficient to operate and which incorporates most of the comments and suggestions that were made. This timetable will be introduced on the 2nd January and is shown overleaf – please check it carefully as it may be slightly different to that distributed previously.

Unfortunately it will not be possible for the Zig Zag service to continue to serve Chippenham, but in its place, Holt Community Transport will be operating an experimental service from Holt, Broughton Gifford, Atworth, Whitley and Gastard to Chippenham on Fridays at the times shown below.

We will be keeping this service under review during the coming months and so if you have any suggestions for further alterations that could usefully be made to the Zig Zag service, please send an email to buses@wiltshire.gov.uk or write to:
